

90mm Large White Plant Fibre BioCup Lid BCL-12PULP-W-V3

Our white plant fibre coffee cup lids are made from rapidly renewable sugarcane pulp and certified home compostable (AS5810). These improved lids have a clip fit for effortless application and secure closure. With a lower profile and improved pulp strength, they are tougher against hot liquids, keeping your drinks steamy without turning soggy. Made with no added PFAS. This lid fits 250-350ml/ 6-12oz BioCups.
