CATERING FOR THE NEXT GENERATION

Our enclosed BioBoard chip boxes are made from unlined FSC™ certified paper. With a functional self-closing lid, they protect food in transit and are ideal for home deliveries and takeaways. After use, these boxes can be home composted or recycled in the paper recycling stream, if not contaminated with food residue.

- ✓ Self-Closing Lid
- ✓ Perfect for Deliveries & Takeaway
- ✓ FSC™ Certified Paper
- ✓ Home Compostable & Recyclable
