Recyclable

Our BioCane beer rings are tree-free and plastic-free – made from reclaimed and rapidly renewable sugarcane pulp. Certified home compostable to Australian standards and easily recyclable in the paper recycling stream. Available in 6-pack rings and 4-pack rings.

- ✓ Increased GSM for strength and rigidity
- ✓ GS1-compliant barcode tab
- ✓ Asymmetric de-nesting dimples
- ✓ Indefinite shelf-life
- ✓ Home compostable and carbon neutral

4-pack Beer Ring Applicator

145x145mm

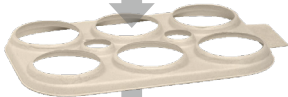

B-BRH-4APPLICATOR

6-pack Beer Ring Applicator

215x145mm

B-BRH-6APPLICATOR

How to use the applicator

1. Using a flat sturdy surface, align the cans with the beer ring loosely placed on top.
2. Place the applicator on top of the beer ring and cans.
3. In one swift motion using both hands on opposite edges of the applicator, apply pressure on top of the jig directly downward. The holder should snap into place.
4. Remove the jig. Check the holder has secured itself onto the cans by lifting the holder using the thumb holes, all cans should be secured and not come loose.
