6. Guaranteed same day dispatch on all orders

All orders placed before 10am in most metro areas will be delivered same day (conditions apply)

Custom brand your Single Saver BioDispenser

Our Single Saver BioDispensers are designed to allow the option of inserting a card with your brand and message to the consumer.

A napkin also provides the perfect opportunity to reinforce your brand and communicate with your customers. Contact us for more info, logos or tagline files. Alternatively use the specifications provided here and print your own.

BioPak donates 5% of profits to positive change.

*Pay-as-you-use customers must indicate that product will be drawn and paid for evenly over a maximum of 3 months. If product cannot be drawn in this manner, we can still provide custom products but different payment plans will have to be discussed.

Copyright

All images and font provided in artwork/or provided to BioPak for artwork must comply with copyright and be the property of the client

Templates notes

Print areas marked by a pink box on all template, see example Dinner BioNapkin template below

Example napkin template – 2 ply 1/4 fold dinner corner embossed

BioPak logo use

BioPak reputation can make a real difference to the customers that buy these products and to the vendors that offer the products. The BioPak logo visually supports the message that our products are made from bio-based resources of high quality, innovative and are fundamental to our mission of providing affordable and innovative plant-based packaging solutions.

Consistent use of the BioCup brand is essential to ensure that our message is being communicated clearly. Please follow the rules outlined below. If you have any questions at all, please call us.

Tagline options

BioPak I'm made from FSC certified pulp

About BioPak

BioPak is a pioneer and leader in the field of sustainable single-use food service disposable packaging. Incorporating the triple bottom line of 'People Planet Profits' into the business DNA from the get go, provided us with an indisputable competitive advantage in the region. With our focus on developing and promoting sustainable plant-based packaging solutions we have, in the space of 10 years, disrupted an industry. We are always looking to raise the bar and we hope that our B Corp certification inspires and motivates others in our industry to follow suit. B the change.
