Print specifications

Design notes

Artwork can be printed in either CMYK or Uncoated Pantone colours – not a mixture of both. There is a eight colour limit when printing in Uncoated Pantones. CMYK printing colours are unlimited

Metallic, fluorescent and foil colours cannot be used

Images in artwork must be a minimum resolution of 300dpi at 100% scale

Highlight dot gain should not be below 5%. If vignettes go below 5% there will be a visible and harsh drop-off

Line work must be 0.5 point or greater

Text must be 5 point or larger

Convert all text to outlines and embed all images

Copyright

All images, graphics and fonts provided in artwork/or provided to BioPak to artwork, must comply with copyright and be the property of the client

About BioPak

BioPak is a pioneer and leader in the field of sustainable single-use food service disposable packaging. Incorporating the triple bottom line of 'People Planet Profits' into the business DNA from the get go, provided us with an indisputable competitive advantage in the region. With our focus on developing and promoting sustainable plant-based packaging solutions we have, in the space of 10 years, disrupted an industry. We are always looking to raise the bar and we hope that our B Corp certification inspires and motivates others in our industry to follow suit. B the change.
