# Print specifications

## Design notes

Artwork can be printed in either CMYK or Uncoated Pantone colours – not a mixture of both. There is a eight colour limit when printing in Uncoated Pantones. CMYK printing colours are unlimited.

Metallic, fluorescent and foil colours cannot be used

Images in artwork must be a minimum resolution of 300dpi at 100% scale

Highlight dot gain should not be below 5%. If vignettes go below 5% there will be a visible and harsh drop-off

Line work must be 0.5 point or greater

Text must be 5 point or larger

Convert all text to outlines and embed all images

## Copyright

All images, graphics and fonts provided in artwork/or provided to BioPak to artwork, must comply with copyright and be the property of the client.
