

6mm Individually Wrapped White Bendy Straw JP-PBS-6X197-W-BENDY-IW

White Bendy BioStraws are made from 3-ply premium grade FSC™ Mix (Forest Stewardship Council) certified paper. Our paper straws are home compostable. The bendy BioStraw range has creases and provides more flexibility for when you need it. These individually wrapped paper straws are a more eco-friendly option to individually wrapped plastic straws. These compostable straws are individually wrapped to provide customers with a hygienic way to enjoy their drinks and prevent the spread of germs.
